

Join the Friends of the Gifford Arboretum

The Gifford Arboretum introduces new membership levels. Until now, membership in the Arboretum has been totally free. Members have been receiving invitations to our events, updates on our activities, free admission to our events and events we co-sponsor (with the Native Plant Society and the Kampong, for example). To help defray the cost of mailing and to support our programs, we will now be asking members to pay an annual fee. We introduce special benefits to donors at higher levels.

Please print out the membership form and mail to:

Gifford Arboretum
 Department of Biology
 University of Miami
 P.O. Box 249118
 Coral Gables, FL 33124-0421

Please make check payable to University of Miami
