

APPROXIMATE GRADE SCALE FOR BIL 250 EXAM I

Note that it's total points, not individual letter grades, that matter most. These letter grades are approximate, and just let you know where you stand relative to others in the class (that ol' bell-shaped curve). Also note that I rarely allow anything lower than a 50% to count as a C—so if you scored lower than 50, you really need to improve on the next exam in order to get a passing grade in the BIL major.

A:	80 and higher	(16% of class)
B:	70-78	(17% of class)
C:	46 - 68	(45% of class)
D:	40-44	(13% of class)
F:	38 and below	(9% of class)
